

Available in Red, Green, Orange, Blue, and Yellow

Premium Quality Phosphor Bronze Alignment Sleeves

Premium Engineered SC Duplex Plastic Housings

Optically Tested for Premium Performance

All Adapters Secured in Plates with Screws

Color-Coded SC Duplex Adapter Panels

SPECIFICATIONS

- ◆ Material: 16 gauge cold rolled steel
- ◆ Finish: powder coat
- ◆ Adapters meet most TIA/EIA-568-B.3 requirements*
- ◆ Adapters secured in panels with screws
- ◆ Includes installed dust caps
- ◆ Operating/Storage temp: 0°C to 60°C

Hubbell FSP series SC duplex high-density fiber optic adapter panels are available in a wide variety of colors to meet many application requirements.

The adapters are manufactured with high-retention phosphor bronze alignment sleeves suitable for both multimode and most singlemode applications. These adapter panels are very useful for color coding applications or for displaying various levels of security in patch panels. The adapter panels fit all Hubbell fiber enclosures and cabinets that accept FSP series adapter panels.

Adapter panels are factory inspected in-process for superior construction and optical performance.

APPLICATIONS

Color coding for:

- Military applications
- Security levels
- Application types
- Match Singlemode and Multimode patch cords

APPROVALS / INSTALLATION

- Meets the requirements of TIA/EIA-568-B.3*

* Note: the adapter colors may not meet TIA/EIA specifications.
